We developed a web-based tool for churches to automate resource recommendations for users. These icons highlight the different categories of resources.

Midnight Sun Creative is a sister company of Good Earth Creative which focuses on developing inter-cultural experiences in Alaska (the Land of the Midnight Sun). The photo on the left is a classic time-lapse photo of the how the sun skirts the horizon in mid-summer north of the Arctic Circle. The logo on the right echoes that epic image. The gradients at the top of the logo also evoke imagery of the northern lights, prominent in the winter in northern regions.

Logo for IronMen - strength and faith are not mutually exclusive.

RenderGardenMedia.com developed stunning graphics for a KU-based coffee-shop concert series.
